

The Hayward's superb touring exhibition 'John Cage: Every Day Is A Good Day' reaches Huddersfield's Museum and Art Gallery on 20 November. Revealing the radicalism and continuing significance of Cage's visual art, this exhibition provides the basis for multiple levels of engagement. Also in Yorkshire, 'Action Art Now' (Space 109 Walmgate, York, 12 November) is a programme of live performance events, curated by O U I Performance. This international community of artists is interested in establishing artist-led organisations and platforms for the continual evolution of action art and the variety of its forms.
